DESCRIPTION

High visibility class 1 chainsaw protection trousers. Made with fluorescent fabric, it allows professionals to be visible for all work outside: on the road edge, railway tracks and in town. Robust trousers that are comfortable to wear thanks to the stretch lining which offers improved maneuverability. A practical pair of trousers with pockets and accessories that can also be used in rainy weather thanks to its water repellancy.

COMPOSITION

Main fabric: Twill 100% Polyester 180 g/m² treated water repellent.
Lining: Mesh 100% Polyester 55g/m².
Protection: 100% Polyester 160g/m² (5 layers).

CARE

PPE requires special care and needs to be washed regularly. Machine wash at 40° do not dampen. Do not whiten. Do not tumble dry. Dry in the shade without delay. Do not iron. Do not dry wash.
