UNISEX MODEL

DESCRIPTION

GAVARNIE shoes are trekking-type safety shoes designed for mountain environments. They are comfortable thanks to their thermoformed insole, their TE-POR® membrane with waterproof seams and a rubber stone guard, they offer high level of safety thanks to their steel toecap, a textile composite anti-puncture midsole and a cleated VIBRAM® outsole.

4 KEY FEATURES

- Waterproof-breathable TE-POR® membrane lining.
- Upper material: Perwanger® cow leather (2.2-2.4mm).
- Rubber Nitril Vibram® outsole.
- Steel toe and composite sole.
